Personal Information

Born: July 31, 1951, in Lübeck, Germany. Father: Dr. Theodor Diekmann; mother: Gertrud Diekmann, born Winterhoff. Children: Lisa-Barbara, born February 13, 1991

General Education

1958 - 1970: Elementary School and Grammar School (Gymnasium in Lübeck).
Branch: natural sciences and mathematics. General university entrance degree (Abitur).

Academic Education

1970 - 1975: Studies in sociology at the University of Hamburg (major), psychology (minor),
Degree: Diplom-Soziologe (M.A. equivalent)

1975 - 1980: Postgraduate Studies in Sociology, Social Statistics, Psychology at the
University of Hamburg

1977: Statistics and research methods at the University of Michigan, Ann Arbor (summer
semester, ICPSR-program)

1979: Doctoral degree (Dr.rer.pol.), Faculty of Economics, University of Hamburg

1980: Vordiplom (approximately B.A. equivalent) in Psychology, University of Hamburg

1987: Habilitation (Dr.rer.pol.habil) at the Faculty of Social Sciences, University of Munich

Academic Positions

1975 - 1976: Research assistant, University of Hamburg

1976 - 1979: Distinguished award for postgraduate (dissertation) studies by "Deutsche Studienstiftung". Grant by "Deutsch-Akademischer Austauschdienst" (DAAD) for studies in Ann Arbor, Michigan (summer 1977)

1979 - 1980: Teaching and Research Assistant at the University of Hamburg

1980 - 1984: Assistant Professor, Institute for Advanced Studies, Vienna

1984 - 1987: Assistant Professor, University of Munich

1987 - 1989: Scientific Director at the Center for Survey Studies and Methodology (ZUMA), Mannheim

1989 - 1990: Professor for research methods and statistics at the Faculty of Social Sciences, University of Mannheim

1990 - 2003: Professor (chair) for empirical sociology and social statistics and Director of the Institute of Sociology, Faculty of Law and Economics, University of Berne, Switzerland

2003 - 2016: Professor of Sociology, ETH-Zurich

2016 - Professor em.; Head of Environmental Research Group at the Department of Humanities, ETH Zurich; Lecturer at ETH

2017 (September) – 2018 (July): Fellow at Institute of Advanced Study (Wissenschaftskolleg), Berlin

2018 (October -) Senior Professor, University of Leipzig

Research areas

Social cooperation theory, experimental game theory, environmental and population sociology, research methods and statistics.

Awards and Grants

- Studienstiftung, dissertation grant
- Grants from DFG, SNF, Volkswagenstiftung
- Elected Fellow of the European Academy of Sociology
- Elected member of the German Academy of Sciences Leopoldina
- Heisenberg-Medaille of Humboldt Foundation
- American Sociological Association, Section Rationality and Society Best Paper Award 2015
- European Survey Research Association, Best Paper Award "Survey Research Methods" 2015-2016
- Fellow Institute for Advanced Studies Wissenschaftskolleg Berlin 2017 - 2018

Positions offered

1. Scientific Director at the Center for Survey Studies and Methodology (ZUMA), Mannheim (C4) (1987, accepted)

2. 1988 Professor for research methods and statistics at the Faculty of Social Sciences, University of Mannheim (C3) (1988, accepted)

3. Full Professor, University of Bern (1989, accepted)
4. Professor, University of Bremen (C4) (1990, declined)
5. Professor, FU-Berlin (C4) (1991, declined)
6. Professor, University of Leipzig (C4) (2002, declined)
7. Full Professor, ETH-Zurich (2002, accepted)
8. Professor, University of Cologne (C4) 2003, declined)
9. Senior Professor, University of Leipzig (2018. Accepted)

Recent Research Projects

- Environmental Justice, “Umweltgerechtigkeit - Soziale Verteilungsmuster, Gerechtigkeitseinschätzungen und Akzeptanzschwellen lokaler Umweltbelastungen”, DFG, SNF – DACH project, 2015 – 2020 (with Universities of Göttingen, Mainz, Bern).
- Reducing Energy Consumption and Promoting Green Electricity. The Role of Soft Incentives, SNF, NFP 71, 2015 – 2019 (with University of Bern).
- Reputation on Digital Markets
- Swiss Environmental Survey (SNF)
- Future Orientation and Energy Saving (BFE grant – Bundesamt für Energie)
- SonBASE und Volkszählungsdaten (Bundesamt für Umwelt)
- Signaling Trustworthiness in Laboratory and Field Experiments (SNF)
- Asking Sensitive Questions: Possibilities and Limits of Randomized Response and Other Techniques in Different Survey Modes (DFG, with Universities of Leipzig and Mainz)
- Experimental studies of promoting biodiversity, Coop/Bundesamt für Umwelt, 2015 – 2016 (with University of Bern).

Current Research Projects

- 2022 - Entstehung sozialer Normen, Deutsche Forschungsgemeinschaft (DFG), grant DI 292/6-1 to A. Diekmann, project No. 465644158.
- Altruistic Behaviour in Daily Life. Field Experiments

Co-Editor and Editorial Board

- International Consulting Editor, American Journal of Sociology, 1992-1994
- Co-Editor Zeitschrift für Soziologie, 1999 – 2002.
- Co-Editor Zeitschrift für Umweltpolitik und Umweltrecht (2008 –
- Co-Editor Journal of Labour Market Research (2008 – 2020)
- European Sociological Review (- 2000)
- Comparative Population Studies – Zeitschrift für Bevölkerungswissenschaften (Board of Reviewers 2010 – 2019).
- Member at the board „Einheit der Gesellschaftswissenschaften“, Mohr, Tuebingen (1999-2014)
- Journal of Mathematical Sociology
- Kriminologisches Bulletin

- Methods, Data, Analysis (MDA), Advisory Board
- Zeitschrift für Evaluationsforschung
- Sustainability, 2020 – 2021

Selected other professional activities

- Chairperson of Leopoldina academy class of social sciences and humanities (2022-, Vice Chairperson 2018 – 2022).
- Elected member of the Deutsche Akademie der Naturforscher (German Academy of Scientists), Leopoldina. Section for Economics and Empirical Social Research (2001-
- Elected member of the „Konzil“ of the German Society of Sociology („Deutsche Gesellschaft für Soziologie - DGS“), 2019-2023.
- Chairperson of the section "Modelling and Simulation" of the German Society of Sociology(2000-2010), Member of Board and Treasurer (2010-
- Technical Advisory Board of the US-India Smart Distribution System, Washington State University, 2018 –
- Member at the Board of the German Environmental Survey, German Environmental Office, Berlin, 2018 –
- Advisory Board SCOOP – Sustainable Cooperation. Graduate School Groningen, NL, 2018 –
- Advisory Board “From Prediction to Agile Intervention Research in the Social Sciences” (FAIR), University of Dortmund, 2023 -
- Member at the board of: "Deutsches Jugendinstitut" (Institute for Youth Research), Munich (1999-
- Fellow of the European Academy of Sociology (2000 –
- Member of the Social Science Committee of the "Verein für Socialpolitik" (2000 –
- Member of the Board of the Hans-Albert-Institute (2020 –
- Member of the Board of the Centro Stefano Franscini (CSF), Ascona, ETHZurich (2018 –

Past

- Expert Committee, Scientific Integrity Foundation Vienna, ÖAWI (2016 –2021)
- Member at the board of ISA-Research Committee "Rational Choice"
- Member at the board of the "German Family Survey"
- Member at the board of ZUMA, Mannheim
- Member of the Council of Consultants of the Foundation "Mensch, Gesellschaft, Umwelt" (Man-Society-Environment), University of Basel (2002-2006)
- Member of Council ("Konzil") of "Deutsche Gesellschaft fuer Soziologie" (German Society of Sociology)
- Member of the Evaluation Committee “Sociology” of the German “Wissenschaftsrat” (2006-08)
- Member of the selection committee for the “Alexander von Humboldt Professur”, Humboldt-Stiftung, Bonn (2010-2012)
- Member at the board of the Institute for Employment Research (Institut für Arbeitsmarkt- und Berufsforschung, IAB) (2008-2017)
- Ethics Committee Experimental Economics, University of Zurich

- Ethics Advisor for ERC Advanced Researcher Grant to E. Fehr (2012-2018)
- Member at the Board of the Research project Traffic Mode Choice, Zurich 2018 – 2019)
- Member at the board of the "German National Survey" (Allbus), GESIS, Mannheim (2001- 2020).
- Member of the board of the survey AIDA of the German Youth Institute (2013 – 2018)
- Chairperson of the Section for Economics and Empirical Research and Senator of The German Academy of Science, Leopoldina (2010-2015, reelected for period 2015-2019). Member of recruitment committee of the Leopoldina (-2020)

Teaching

More than 150 seminars and lectures at the University of Hamburg, IAS Vienna, LMU Munich, Univ. of Mannheim, Univ. of Bern, ETH Zurich.

Guest Professor/Lecturer

- University of Nuremberg, „Data Analysis With Stochastic Models“ (1982) (G)
- Max-Planck-Institute of Criminology Freiburg, „Event-History Analysis in Criminological Research“ (1983) (G)
- Archive for Empirical Social Research, Cologne, Spring Seminar, “Event-History Analysis” (1985, with H.J. Andress) (G)
- Institute for Advanced Studies, Vienna, post-graduate program, “Methods of Empirical Social Research” (1987) (G)
- Rijksuniversiteit Groningen and University Utrecht, NL, post-graduate program, “Social Dilemma Games”, “Event-History Analysis” (1988) (E)
- University Utrecht, post-graduate program, “Determinants of Status and Income” (1989) (E)
- Institute for Advanced Studies, Vienna, post-graduate program, “Quantitative Methods of Empirical Social Research” (1989)
- University of Cologne, Post-graduate program, “Event-History Analysis” (1989); “Experimental Game Theory” (1990)
- University of Bern, “Sociological Theory and Empirical Social Research” (1990)
- University of Leipzig: “Analysis of Social Structures” (1992/93), “Multivariate Regression Analysis” (1993), “Statistical Methods for the Analysis of Social Processes” (1993), “Non-Obtrusive Methods” (1995), “Introduction to Environmental Sociology” (1996), “Introduction to Logistic Regression” (1997) “Environmental Sociology” (1998, 2000, 2002), „Experimental Sociology“ (2011), „Experimental Game Theory“ (2014) (G)
- Netherlands Institute for Advanced Studies (NIAS), Summerschool, “Event-History Analysis”, “Rational-Choice Theory” (1993) (E)
- German Institute for Youth Research, Munich, “Event-History Analysis” (1994) (G)
- Archive for Empirical Social Research, Cologne, Spring Seminar, Logit and Probit Models (1997, with Ben Jann) (G)
- Iglo-Langnese GmbH, Seminar Sieversen/Hamburg, “Logit and Probit Models” (1997) (G)

- University of Vienna, Lectures “Environmental Sociology”(1998),Seminar (1999) (G)
- Universities of Groningen and Utrecht, post-graduate program, “Cooperative Environmental Behaviour” (1999) (E)
- University of Vienna, “Non-Obtrusive Methods” (1999) (G)
- Archive for Empirical Social Research, Cologne, Spring Seminar “Logit and Probit Models” (2001) (E)
- University of Stockholm, “Social Diffusion Models” (2000), “Experimental Game Theory (2001)” (E)
- University of Saarland, “Non-Obtrusive Methods” (2001) (G)
- University of Tartu, Estland, “Experimental Game Theory” (2001) (E)
- University of Utrecht, Reinhard-Wippler Guest Professorship“, “Theory, Models, Empirical Applications” (2005) (E)
- Academic Visitor to Nuffield College, Oxford, U.K. (Michaelmaes (autumn) term 2005)
- University of Niznij Novgorod, Russia, “Vertrauen” (2005) (G), “Trust problems” (2006), (E) (with W. Przepiorka)
- Summer School of SfB Decision Theory, University of Mannheim, “Field Experiments” (2006) (E)
- Hochschule Liechtenstein, Vaduz, Research Methods (2006) (G)
- Academic Visitor to Nuffield College, Oxford, U.K. (2008)
- Archive for Empirical Social Research, Cologne, Spring Seminar, Logit and Probit Models (2008, with Ben Jann) (E)
- University of Xiamen, China, Environmental Sociology (2008, with P. Preisendörfer)
- University of Xiamen, Environmental Sociology (2012, with P. Preisendörfer) (E)
- University of Bern, Datenmanipulation, Betrug und Fälschung in den Wissenschaften, 2014 (G)
- Kassel Summer School in Quantitative and Qualitative Methods of Social Sciences (KSS), Experimente in der Soziologie, 2013, 2015 (G)
- University of Bern, Seminar on „Social Exchange, Trust, and Markets“, 2017 (G)
- ETH Zurich: Game Theory, Experimental Game Theory, Sociology (G) (13 lectures autumn 2016 – spring 2021)
- University of Bern, Seminar on Climate Change Policies, 2020 (G)
- University of Zurich, Climate Change Policies, 2021 (G)
- University of Zurich, Climate Change Policies, 2022 (G)

Conference Organization (selected)

Organization of International Conferences at ETH Zurich and Congressi Stefano Franscini, Ascona (CSF): Speaker, organizer, co-organizer. Recent Conferences organized: „Human Dimensions of Environmental Risks“ (CSF Ascona 2017). International conference on Social Interaction and Society (SIS) (ETH Zurich, May 2016); Social Norms and Institutions (CSF Ascona 2015); Conference on the Legacy of Raymond Boudon, ETH-Zurich 2014; International Social Dilemma Conference ISDC, ETH-Zurich 2013; Signaling Theory (CSF Ascona 2012), Game Theory and Society, ETH-Zurich 2011.

Keynote lectures and Invited Talks (selected)

Recent keynotes/invited lectures (selected): International Conference of Social Dilemmas (ICSD) in Copenhagen, Keynote Lecture “Emergence of Norms in Social Dilemmas”, July 19th, 2022. Distinguished lecture „Social psychological and economic incentives to reduce CO2 emissions. Results from field experiments“, Kolkata, India, Institute of Engineering and Management, November 11, 2020 (online). Invited talk on “Irreproducible results. Fraud, error, and the importance of replication”. Workshop « The replicability crisis? Philosophical, legal and sociological perspectives”, Lyon, October 15 – 16, 2020 (online). Plenary presentation “Umweltgerechtigkeit in urbanen Ballungsräumen” on the 40th Congress of the German Society of Sociology, September 14 – 24, 2020 (online). Keynote presentation “How to solve social dilemmas? Lessons from field experiments on “soft” incentives”, Conference on Environmental Social Sciences: Current Issues and Future Perspectives, University of Bern, August 28, 2020; Distinguished lecture “Experimental Game Theory: Public Good Games, Trust Game, Social Dilemmas” (Webinar) at the Institute of Engineering and Management, Kolkata, August 7, 2020 (online); Corona lecture, May 2020, WZB Berlin (online); “Trust, Trade, and Technology. Theory and Research on Trust Relations in the Digital World”, keynote lecture on the 2nd Conference of the Academy of Sociology, Konstanz, September 25 - 27, 2019. Invited lecture mid-day special, ESA-Congress Manchester, August 2019; Keynote lecture SCOOP conference, NL, August 2019; New Perspectives for Survey Research. Data Linkage, Georeferenced Data, Causal Analysis. Keynote presentation, 10th anniversary of FORS Lausanne, September 12, 2018. „Non-linear Public Good Games“, European University, Fiesole, Florence, February 2018. „Explaining Social Cooperation. From Experimental Research to Big Data Analysis“, RN21 Quantitative Methods, Conference of the European Sociological Association 2017, Athens, Greece. „Trust and Reputation in the Digital World“, Herrenhausen conference „Society through the Lens of the Digital, Hannover, May 31st – June 2nd, 2017. „Trust Building Institutions“. Conference Institutions for Moral Behavior. University of Utrecht, November 11 – 12, 2015. „Rationality and Evolution in Social Science“. Schumpeter-Parsons Seminar Rationality in the Social Sciences, Innsbruck October 2nd, 2015. „Citizen Participation and Environmental Policy“, University of Xiamen, China, July 2015. „Warum der Krieg aller gegen alle nicht (immer) stattfindet. Bedingungen sozialer Kooperation bei Vertrauensproblemen und wirtschaftlichen Transaktionen“. Mainzer Universitätsgespräche, 29.4.2015. „Trust and Reputation in Social Exchange. From Mahgreb Merchants to Electronic Markets“, University of Mannheim, February 25, 2015. „Methodik empirischer Sozialforschung. Fehlerquellen, statistische Artefakte und was wir dagegen tun können“. Forum Methodenzentrum der Universität Frankfurt, 13. Januar 2015. „The Functioning of Electronic Markets. Exploring Reputation Effects and Feedback Giving“. Computational Social Science Winter Symposium, Cologne, Dec. 2014. „Norm Violation and the Second-Order Free Rider Dilemma. Strategic Self-Interest versus Altruistic Punishment“. Controversies in Game Theory 2014: Homo Oeconomicus versus Homo Socialis, ETH Zurich, September 2014. Self-interested Peer-Punishment and Heterogeneity Sustains Cooperation, International Meeting of Experimental and Behavioral Economics (IMEBE), April 11-13, 2013, Madrid.
